Declaration of Conformity

Product Type : Poly-carbonmonofluoride Lithium Batteries (BR Series)
Manganese Dioxide Lithium Batteries (CR Series)
Cobalt titanium rechargeable lithium battery (CTL series)
Manganese Lithium Rechargeable Batteries (ML Series)
Manganese silicon Lithium Rechargeable Batteries (MS Series)
Titanium Lithium Rechargeable Batteries (MT Series)
Vanadium Lithium Rechargeable Batteries (VL Series)

Panasonic Energy Co., Ltd. hereby certifies the level of Mercury, Lead and Cadmium present in the above product is as follows and within the limits specified by regulations in Europe.

Our Specification are as follows :

Mercury Content	Cadmium Content	Lead Content	Remarks
Under 0.0005 wt%	Under 0.002 wt%	Under 0.004 wt%	We do not use any of these 3 substances in our manufacturing process.

Reference : EC regulation values

	Mercury Content	Cadmium Content	Lead Content
2006/66/EC	Except Button Cells; Under 0.0005wt% Button Cells; Under 2wt%	Under 0.002 wt%	—
2013/56/EU	Under 0.0005wt%	Under 0.002 wt%	—
